ABOUT ME

I started my career as a web designer. I have gained a lot of experience designing and building many responsive websites, my coding knowledge gives me the ability to prototype even complex ideas.

I have gained experience in major web programming languages such as HTML 5, CSS3, and possess the basics of JavaScript, jQuery and SASS. And Framework such as Bootstrap.

I also have experience in the field of graphic design, and I'm able to use the main programs of the Adobe Suite, such as Adobe Photoshop Adobe Illustrator and Adobe InDesign.
